Questions to ask yourself to see if an item is classic...

- ☒ Can you tell that it's from a certain decade?
- ☒ Is the design simple and in a neutral, versatile color?
- ☒ Does it fit well? It shouldn't be too over or undersized.
- ☒ Is it cheaply or well made? Look for items that will last.

Some of my favorite places to find good quality classics

- ☐ Quince
- ☐ Everlane
- ☐ J.Crew or Factory
- ☐ Banana Republic or Factory
- ☐ Gap + Old Navy
