5 questions to ask yourself when shopping for clothing

- ☒ Can I think of more than two different ways to wear this one item?
- ☒ Are there pieces in my closet that I can pair with it right now?
- ☒ Does it fit into my style adjectives? (read the box to the right for more on this!)
- ☒ Does it ACTUALLY fit my body right now? (Don't buy it if you have to change sizes to fit into it)
- ☒ Do I REALLY love it?

"Your style is more about how you feel, not about how you look."

What are your words that describe how you want to "feel" when you get dressed?? Do any of these words above strike a chord with you? Maybe the words you choose don't fully reflect what's in your closet...that's ok! It gives you direction for what to look for when you're shopping!
